

Dear visitors,

We are happy to announce that our church will meet again for its Sunday service as of Sunday July 5 2020.

In compliance with governmental recommendations, we ask you **not** to come should you have any signs of Covid-19.

Furthermore, it is compulsory to wear a mask at all times during our services, and to keep at least 1 meter distance from the next person (outside those of you own family).

In order to avoid overcrowding (we have limited capacity), we kindly ask you to reserve your place via the form on our website, and by Friday at the latest. You should equally mention with how many people you are coming that Sunday. This will be required for every church service you wish to attend.

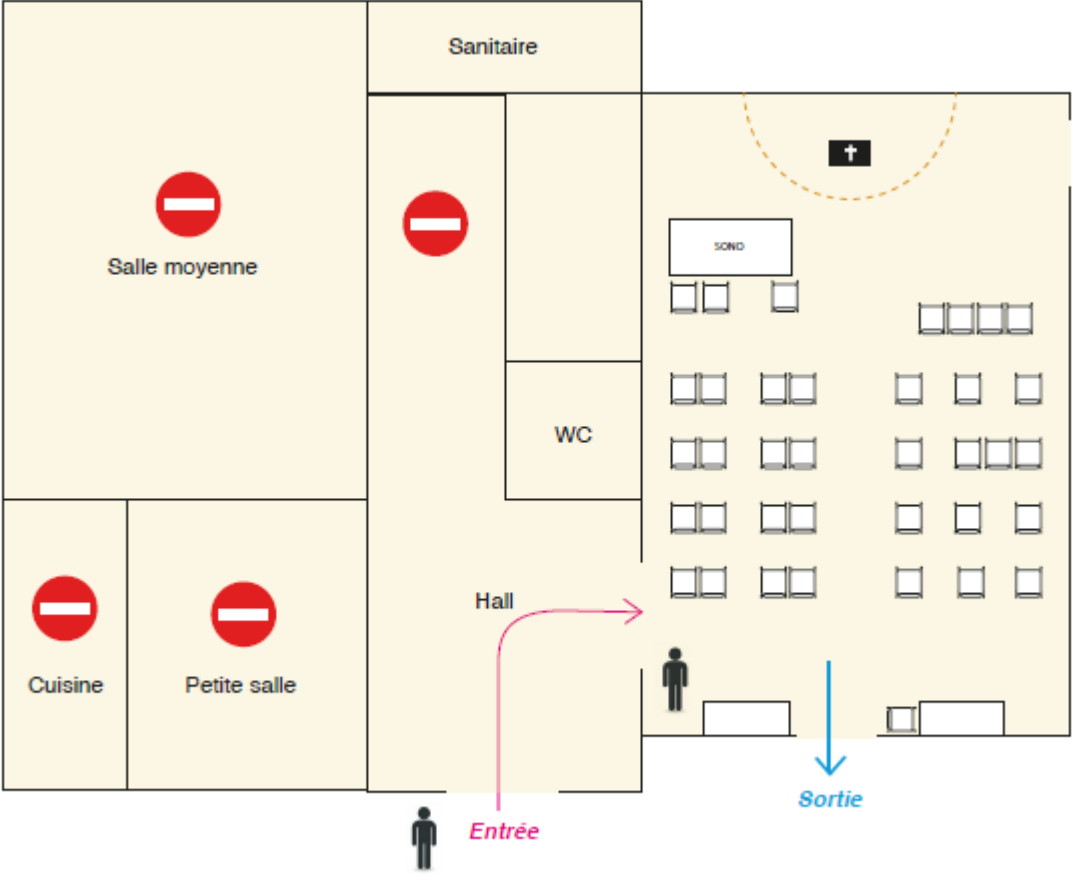

Due to our limited capacity at the moment, we strongly advise you to reserve as early as possible in order to avoid the possibility of not being able to attend the service.

Children are under the responsibility of their parents regarding the application of local governmental recommendations which may include social distancing, walk flow, use of bathrooms.

You will be welcomed as of 9.45 am to 10.15 pm. The entrance will be closed outside of these hours.

A person at the door will spray your hands with a hand sanitizer spray. We advise to rub your hands with the spray before entering the hall.

You will be asked to follow the flow directions on this map.

We regret to have to apply these rules but we assure you they are the same for the whole of our community!

We wish you nevertheless a wonderful service and we welcome you in our midst!
